

GUARANTEED POLICY INPUT POLICY: TEACHERS/STAFF/PATRONS

The Board shall comply with the following procedures in reviewing, revising, adopting, deleting, and/or substituting any official Board policy:

All policies that are in cycle for review, revision, adoption, deletion, and/or substitution will be published annually on the school district website, under Policy Review. Teachers and staff should visit the website on a regular basis to keep informed of the policies in cycle for review, revision, adoption, or deletion. Patrons may get a copy from the school's web site or a copy shall be made available upon request from the District Office.

1. Most policy revisions and adoptions require three board readings; one reading a month for three months. The School Board of Trustees will vote to approve the proposal on the third reading.
2. **Review of or deletion of a policy has a first and only reading unless the board determines otherwise during the first reading.**
3. **The third and final A reading and a final vote to approve on** the proposal to review, revise, adopt, delete, and/or substitute any Board policy shall not be taken until the proposal has been published as stated above and until the proposal has been presented for discussion at not less than three (3) regular Board meetings. Exceptions to this would be to comply with state or federal requirements and guidelines, address safety and/or health issues, or detrimental to the day-to-day business of the school; ~~policy reviews and deletions only require one reading.~~
 - Patrons and employees may give input regarding policies in cycle by giving Public Input during one of the school board meetings while the policy is in one of its three readings, or by contacting the Clerk of the School Board through the school district

30 website, via mail, or by contacting one of the Policy Committee members via mail or
31 electronically.

32
33 • All input must be received by 4:30 p.m., the **second Friday 15th** of each month, ~~or~~ prior
34 to the third reading and approval of the Board of Trustees.

35
36 4. A copy of all policies and procedures can be found on the school district website, under

46 Board of Education Rules and Regulations, and the requirements of all other regulatory
