

# YOUR NUTRISLICE APP HAS A NEW LOOK AND UPDATED FEATURES!

Messages on the home page let you check out what's new, see updates and exciting things happening in your school cafes!

## How To Add Graphics to your School District's Mobile Homepage

Marketing Tools	
Mobile Home-Page Slides	+
Mobile Announcements And Messages	+
Push Notifications	+

1. Click on "Mobile Home-Page Slides" in your Nutrislice Menus Publisher Home.

[+ Add Mobile Home-page Slide](#)

2. Click the "Add Mobile Home-page Slide" button in the upper right of the screen.

No file chosen  
Or

3. Upload a new image or video file from your asset library. You can add a hyperlink to slides and schedule start and end dates!

### More new features!

Navigational tabs allow you to simply share additional information at any step along the menu experience!

A new home page layout now lets you access favorite locations.

Location search allows you to change school type, favorite a school and add them to your home page!
