- Transfer to Mountain Home High School from Bennett Mountain High School must be by recommendation of an administrator at BMHS and approved by an administrator at MHHS. All transfers must be given final approval by Mountain Home School District administrators or the Mountain Home School Board after review of the student file.
 - If students are approved to attend Mountain Home High School they will do so on a probationary period of one semester during which students will be required to maintain passing grades in all classes, adhere to the 90% attendance policy, and have no discipline referrals. Failure to comply with this requirement will result in a recommendation by MHHS administration for a referral to BMHS. Students who are approved to attend MHHS will be required to sign an academic contract to outline the requirements of the transfer from BMHS to MHHS.
 - All requests for transfer to MHHS must be submitted in the months of May and November. Students may request to transfer only for the beginning of each semester. Transfers to MHHS will not be accepted once a new semester has begun. This includes students who have been removed from BMHS for failing to comply with the school's code of conduct and policies.
