INVOLVEMENT/ENGAGEMENT POLICY – DISTRICT**

The board of trustees of Mountain Home School District No. 193 (MHSD) adopted this policy to encourage and facilitate parent and family participation in the Title I educational programs and experiences of students. This policy provides the framework for organized, systematic, ongoing, informed, and timely parent and family involvement relative to decisions about the Title I services within the district.

MHSD will fully comply with the requirements of 20 U.S.C. Sections 1118 and 6319. It is the policy of this district to plan and implement, with meaningful consultation with parents and families members of participating students, programs, activities, and procedures for the involvement of parents and family members in its Title I programs.

**POLICY DEVELOPMENT**

The administration will develop jointly with, agree upon with, and distribute to parents and family members of participating children a written Parent and Family Involvement/Engagement Policy that will be incorporated into the district’s Title I plan. The policy must be reviewed on an annual basis, and amended as necessary. The policy will be developed on a districtwide basis and will be applicable to all district schools that receive Title I funds. The Title I Coordinator will be responsible for facilitating development of the policy and ensuring that the policy addresses each of the following components:

- c. Coordinate and integrate parent and family involvement/engagement strategies with similar strategies under other relevant Federal, State, and local laws and programs, such as

- f. Involve parents/families in the activities of participating schools, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by the local educational agency to adequately represent the needs of the population served by such agency for the purposes of developing, revising, and reviewing the parent and family engagement policy.
