

**TOBACCO USE & OTHER INHALANTS PROHIBITION POLICY AGAINST
SMOKING ON DISTRICT PROPERTY**

Mountain Home School District No. 193’s public elementary and secondary school buildings and educational facilities, and the area within twenty (20) feet of entrances and exits of such buildings or facilities, are included in the definition of “public place” in the Idaho Clean Indoor Air Act. Therefore, no person shall smoke or use any tobacco, tobacco type product, and other non-medical inhalant products (i.e. E-cigarettes, vaping devices, and their liquids) and any look alike product of both in such areas, buildings, or facilities.

MHSD Board of Trustees decrees that the use of any tobacco use, tobacco products, tobacco paraphernalia, and tobacco look-alike devices (i.e. E-cigarettes & Vaping paraphernalia/devices, etc.), and liquid vaping materials is prohibited at all times on all school district property premises including, but not limited to, all buildings, facilities, and properties being utilized for district-sponsored activities regardless of location, and transportation that is owned, leased, sponsored, or contracted by the district.

- This does not include inhalants used to address respiratory conditions such as asthma, bronchitis, etc.; a medication prescription is required and the Prescription Mediation Form signed and submitted to the front office of the school.

MHSD Board of Trustees authorizes the superintendent and designees to render the appropriate discipline to anyone violating this policy including, but not limited to, student suspension, seizure of the paraphernalia, reporting the violations to law enforcement, serving no trespassing orders, etc.

PURPOSE:

29 The Board of Trustees recognizes the importance of all employees and students to the educational
30 system. To that end, the health, safety, and well-being of all employees and students are major
31 considerations of the Board. The Board is committed to providing a tobacco, **vapor, and smoke**
32 free environment for the employees, students, and visitors.

33
34 Students in possession or use of tobacco products, tobacco paraphernalia, tobacco look-alike
35 devices (i.e. E-cigarettes **& Vaping paraphernalia/devices, etc.**), and **liquid vaping materials**
36 will be referred to Law Enforcement for disciplinary action in accordance with state and city code,
37 and building discipline procedures.

38
39 ~~“No Tobacco Use” signs shall be posted on all school district property.~~

40
41 A Tobacco Cessation Program will be available **upon request** for the rehabilitation and counseling
42 of employees and students.

Smokeless Tobacco: is defined as any non-combustible, nicotine containing and non-nicotine look-alike devices, substances such as dipping and chewing tobacco products, E-cigarettes, vaping devices, and vaping liquids.

Electronic Cigarette: is defined as any device that is capable of providing an inhaled dose of nicotine or other products by delivering a vaporized solution; including the components of an electronic cigarette or vaping mechanism.

VIOLATIONS

Any person in apparent violation of this policy will be asked to extinguish and/or dispose of the prohibited tobacco product. If the person persists, the designee will require the person to leave the premises. Violations may also be reported to law enforcement.

Any violation of this prohibition by employees will be immediately reported to the building administrator and may result in disciplinary actions up to and including dismissal for repeated offenses.

Students who violate this policy will be immediately reported to law enforcement and the building administrator for disciplinary action.

NOTICE

“No Tobacco Use” signs shall be posted on all school district property indicating that the use of tobacco products on district premises is prohibited. Each sign will be conspicuous, legible, unobscured, and placed at a height and location easily seen and read by persons entering or within the posted area. Letters on the sign will be at least one (1) inch in height.
