VI. **REPORTS (INFORMATION ONLY – NO ACTION/TABLE) –**

- A. **ANNUAL NOTICE OF MHSD SCHOOL BOARD MEETING – Chairman Abrego.** Chairman Abrego informed everyone that the official annual meeting of the Board of Trustees will be held January 18, 2022.
- B. **ELMORE COUNTY ACTION PLAN DISCUSSION – Elmore County Health Coalition – Alexis Pickering.** Ms. Pickering presented the Elmore County Action Plan, which is a committee addressing the mental, physical, and health of the community. The committee is asking the community what it thinks is wrong with the local community's mental wellness, physical wellness, and the health of the community instead of the committee telling the community what it thinks is wrong.

The Elmore Health Coalition & Regional Collaborative (WICHHC – Western Idaho Community Health Collaborative) committee received a collaborative grant, initially of \$155K for the planning stage that was increased to \$235K each year for three years, to address and identify the root cause(s) of the community's behavioral health, mental health issues, and physical health issues such as diabetes and obesity. The assessment results from a recent survey sent out to the community reflected that those who responded to the survey indicated that some of the reasons behind mental health is the impact of poverty, the lack of resources that are affordable and assessible such as mental health care, affordable housing, transportation, etc.; the assessment reflected that lack of a community center, lack of accessible year-round walking trails/track contribute to the large amount of the community not participating in some sort of physical activity; the assessment also reflected that in regards to health, the community lacks specialty care facilities, there are the long wait times, the lack of cultural competencies, etc.

The assessment survey contained eight questions and 179 people responded. Trustee Binion asked how the survey was sent out to the community. Ms. Pickering responded that the surveys was sent in a few different ways such as social media, newsletters, health coalition committee, etc. Discussion continued regarding lack of resources, impact of poverty, high cost of living, lack of access to mental healthcare, low paying jobs, childcare, after school activities, lack of a community center, lack of year round walking trails, improve local infrastructure such as safe routes to schools, designated bike lanes, the lack of cultural competently such as lack of Spanish translated items and information regarding healthcare, schools, community, as well as discrimination, lack of specialty care, etc.

Ms. Pickering reviewed the action plan priorities regarding helping our health partners such as Desert Sage, St. Luke's and connecting community resources to improve health and coordinate resources such as nurses, EMS, schools, etc. We want to be more mobile with those who cannot travel so that if CHEMS is not available, establish a county transportation team, we could have a county transportation team for those who are not mobile. Discussion continued.

Superintendent Gilbert thanked Alexis for his presentation and looked forward to receiving more information. Discussion began about using the funding and the funding restrictions, establish a county transportation team, open-space preservation and best practices, pursuing sustainable funding streams for CHEMS, etc., and partnering with the school districts and community.

Chairman Abrego requested Ms. Pickering keep Superintendent Gilbert up-to-date. Ms. Pickering asked Superintendent to contact parents and students about this plan and get parents and students interested.

The Board thanked Ms. Pickering for her presentation.

- C. MOUNTAIN HOME AFB UPDATE – MHAFFB Liaison.** Mr. Niksich thanked the community, airbase, and school district leaders, along with parents who attended the Bully Awareness Symposium. He gave a shout out to the students and schools who provided holiday cards and decorated cookie bags for the airmen who have to be in the dorms over the holidays and those that are deployed. Mr. Niksich will announce the second quarter Educator of the Quarter when school resumes from the holiday break. Chairman Abrego thanked Mr. Niksich for his part in the symposium and everything else.
- D. SUPERINTENDENT'S REPORT – James Gilbert.** Superintendent Gilbert reported that the High School Bond Committee should have a recommendation for the Board in early January 2022. He requested the Board schedule a special board meeting to hear their recommendation. He added that there has been a good turnout at the meetings has been good and the discussion has been excellent around the needs of the community with the high school building; the committee represents the community quite well. Discussion began on when to hold the special meeting. Chairman Abrego asked to have this added to new business.

Superintendent Gilbert reported that 250 meals were distributed yesterday, and we have had great support from the community as well.

The Board discussed the best time to hold a special board meeting. Chairman Abrego asked if this item needed to be moved to New Business and Clerk Whitman responded yes, because a motioned is needed.

Chairman Abrego inquired on the status of the restrooms at the track. Superintendent Gilbert reported that the track is on schedule and will be ready for the football season and hopefully by this spring.

- E. BOARD OF TRUSTEES PUBLIC ENGAGEMENT REPORT – School Board of Trustees**  
*All business of the school district, with the exceptions IAW Idaho Code, are considered public record information including all school related communications and engagements with the public and employees. No action or response will be made at this time. (Idaho Code Title 74 – Transparent & Ethical Government, Chapter 1 – Public Records Act, and Chapter 2 – Open Meeting Law).*
1. Trustee Binion reported that during the ISBA convention, school bond elections portion, it was brought to everyone's attention that no elected official in their official capacity or their office may publicly support any levy election. They may as a civilian, using their personal devices, but not in their elected position. Elected officials may only say to vote, not on how to vote. He added that in the school safety portion of the convention, the company that will be out here to assess our safety needs were presenters and did an excellent job.
  2. Trustee Binion reported that he had lunch with Lisa Russell, district teacher, and her husband for Mrs. Stover-Russell to receive her VFW Teacher of the year for District 5, and it was announced on Monday that Mrs. Stover-Russell was the state-level winner and will now compete at the national level as the Teacher of the Year. He added that Mrs. Stover-Russell is the second teacher in three years that was selected from Mtn. Home.

VII. **UNFINISHED BUSINESS (ACTION) –**

- A. IDAHO SCHOOL DISTRICT SCHOOL ZONE EQUALIZATION – REALIGNMENT OF TRUSTEE BOUNDARY LINES REVISION (ACTION) –** James Gilbert. Superintendent Gilbert informed the Board that there was a small revision to the Idaho School District School Zone Equalization Realignment involving zones 1 and 5. There is a small area in which when the county plotted residential areas, they had a small section of zone 5 within a section of zone 1. Quadrant had never encountered this situation and suggested that the small section of zone 5 become part of zone 1. The population remains +/-10%. Trustee Monasterio motioned to approve the revision to the Idaho School District School Zone Equalization – Realignment of Trustee Boundary Lines revision as presented. Trustee Binion seconded the motion. Motion passed.

VIII. **NEW BUSINESS (ACTION) –**

- A. RESOLUTION 22-06 – CALLING FOR A SUPPLEMENTAL LEVY (ACTION/ROLL CALL VOTE) –** James Gilbert. Superintendent Gilbert informed the Board that if they wanted to run a supplemental levy on March 8, 2022, they needed to start the process immediately by approving this resolution so that the county could proceed with the supplemental levy election. He then informed everyone that the supplemental levy amount would remain the same as it has in the past many years at \$2.7 million a year for two years, so it is a zero dollar increase to the current levy.

Superintendent Gilbert explained that the supplemental levy is used for the maintenance and operations of the district and there are some restrictions on how the supplemental levy money can be use, and we used it for day-to-day operations such as personnel, supplies, building maintenance, and such. He reminded everyone that there is no longer a Plant Facility levy that was used to maintain school buildings so that now comes from the supplemental levy. He added that the lack of state funding to provide funding for staff and facilities now must come from the supplemental levy if we are going to be competitive with the Treasure Valley school districts.

Chairman Abrego reiterated that we got rid of the Plant Facility levy and we did not increase the supplemental levy that is used to make up the difference of the lack of funding by the state, and he hopes this is recognized by the community. He added that for our district to compete with Boise, we do have to pay our staff more to keep quality staff.

Superintendent Gilbert want to remind everyone that supplemental levies are not unique to Mtn. Home and that many other school districts must run supplemental levies to make up for the shortfall in state funding and to provide services and to adequately hire staff. Chairman Abrego called for a motion. Trustee Monasterio motioned to approve Resolution 22-06 – Calling for a Supplemental Levy as presented. Trustee Binion seconded the motion. Chairman Abrego directed Clerk Whitman to do a roll call vote.

**B. ACTIVITIES TRAINING BUDGET (ACTION)** – James Gilbert. Superintendent Gilbert explained that this wasn’t really a new business item because the district used to have an Activities Training Budget. He was just asking to reinstitute the Activities Training Budget for coaches and activities advisors training, such as coaching clinics or professional development in the different fields. We are seeing a higher demand for much of that type of training.

Superintendent Gilbert request that \$25,000 be reinstated and the district would reassess at the end of the year to either decrease the amount or increase the amount. He added that the funding would be managed by the Activities Director and the money would be divided among all the activities. Those activities that choose not to use all their portion of the finding, their unused portion of money could be used for other activities.

Superintendent Gilbert reminded everyone that back in the day, the money used for activities training came from the vending machines, back when we had a contract with Coke, Coke provided a sizeable chunk of cash that went into the high school account to be used for activities.

Trustee Binion asked if the money would be spent on paid coaches or would the volunteer coaches have access. Superintendent Gilbert replied that it would be open to any of our activities staff and advisors. Discussion continued on the uses of the money. Chairman Abrego asked for a motion to approve the Activities Training Budget. Trustee Binion motioned to approve the Activities Training Budget as presented. Trustee Donahue seconded the motion. Motion granted.
