

School Reopening Plan

2020-2021

The following plan was created in conjunction with the Mountain Home School District Reopening plan to reduce contagion risk associated with COVID-19. While efforts will be taken to provide the safest school environment possible for students and staff, the possibility of transmitting the COVID-19 virus in the school setting exists. This plan is neither exhaustive nor static. Day-to-day school-level operational plans and activities guidelines may change due to new information in regards to COVID-19, CDH Guidelines, and MHSD Board of Trustee directives.

Mission

Regardless of the setting, Hacker Middle School strives for every student's educational success, every day through providing quality education. Our teachers will work to instill a thirst for knowledge and challenge each student's potential to the highest level. We will offer a challenging and diverse curriculum where students are eager to learn because it is relevant to their future. Whether in person, online, or a combination of the two, the staff at Hacker Middle School will work to ensure our students are building the skills and knowledge to become responsible, contributing members of society.

We promise to:

- Maintain credibility and trust through sincere and timely communication.
- Provide educational programming, either in person or online, each school day per the MHSD calendar.
- Be creative, flexible, and sustainable in our instruction, school operations, and problem-solving.
- Be empathetic and respectful of individual choices and needs.
- Respect the Central District Health Department guidelines and adopt practices we can control.

General		
Category 1	Category 2	Category 3
<p>Evidence of isolated cases or limited transmission, case investigations underway, no evidence of exposure in a large communal setting.</p>	<p>Widespread and / or substantial transmission with high likelihood of confirmed exposure within communal setting with potential for rapid increase in suspected cases.</p>	<p>Large scale community transmission, healthcare staffing significantly impacted, multiple cases within communal settings.</p>
<ul style="list-style-type: none"> ● Wearing of masks by all students, staff, and visitors. ● Hand sanitizer available throughout the building for all students, staff, and visitors. ● Instruction provided in preventative hygiene. ● Only necessary outside visitors allowed in the school building. ● Large group gatherings temporarily discontinued. 	<ul style="list-style-type: none"> ● Reduction in the number of students present on campus by implementing a hybrid or modified schedule. ● Students will be expected to complete online tasks at home during the times they are not present on campus. ● Scheduled hand sanitizing. ● No outside visitors in the school building. 	<ul style="list-style-type: none"> ● Online instruction. ● Limit / close access to building for all staff. ● Close access to the building for students and visitors. ● Follow CDC, CDH, and local government guidelines.
