

Welcome Back! The Mountain Home School District Plan for Reopening Schools

The Mountain Home School District School is excited to welcome students back for the Fall of 2021. This document outlines the district's plan to bring students back to school. In light of the Covid-19 health concerns, the Mountain Home School District is taking various precautions to ensure student and staff safety while still providing a robust education experience. This document outlines the districts goals and expectations for the Fall of 2021. Individual school plans for each campus will be developed based on the following criteria.

Overall Goal:

The overall goal of our reopening plan is to provide a high-quality educational experience for all students.

Guiding Statements:

The following statements outline the districts guiding principles. These principles highlight the districts core interests and helped direct the districts decisions about reopening school.

- *We ensure all students will have a meaningful connection with adults and teachers.*
- *We will provide support and training for our families to equip them with the skills and tools they need to support their student(s).*
- *We will follow the latest medical guidance from the federal and state level to promote student safety.*
- *We will be good stewards of the resources provided to us.*
- *We will respect and honor flexibility to support students and their families.*
